

Parental Consent Form

Part I: Media Consent

We are sending you this parental consent form to request permission to photograph or make video recording of your child while he/she is enrolled as a student. In some instances, your child's image may be published on the school's website, social media pages, or in an article about Butler Nursery School.

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as a school do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child.

Pursuant to law, we will not release any personally identifiable information without prior written consent from you as parent or guardian. Personally identifiable information includes student names and photo/video. If you, as the parent or guardian, wish to rescind this agreement, you may do so at any time.

Check one of the following choices:
